WePackItAll Honors Its 20 Year+ Veterans

From L to R (Ha Pham, Jean La, Sanodette Yeng, Huong Ma, Diemquynh Ha, Ana Magana, Lourdes Lopez, Alicia Arellano, Okham Sanapanya, Khamtanh Vongphanichith)

WePackItAll is fortunate to have many dedicated and loyal employees. This group of individuals has been with our company for 20+ years and witnessed a lot of change through the years. Ana (20 years) remembers her first day being comfortable and her teacher very nice. Khamtanh (33 years) remembers being excited and nervous on his first day. Sanodette (25 years) has a hard time picking a favorite moment because to her it has all been great. Okham (25 years) was so pleased to receive a trip to China from the company for her 25th anniversary. Ha (28 years) says she is glad to watch the business grow and is proud to be a part of it. Jean (20 years) appreciates the companionship and cooperation she has experienced from her co workers. Huong (21 years) was honored to be a part of Jack Bershtel's retirement party and calls it a memory she will never forget. Quynh (21 years) enjoys the parties that WPIA has because it is chance to watch employees get excited and happy to spend time and socialize with employees from other shifts. Alicia (26 years) believes that the company has improved with time and loves the gift exchanges the employees enjoy with each other. Lourdes (21 years) is grateful for the generosity that Jack and his family bestowed upon her. Monica Barragan (not pictured) (20 years) recalls good times when both Mr. Dan Tint and Jack Bershtel taught her how to run the machines.

All of these veterans agree that this company has changed a lot throughout the years, particularly the growth from just three machines to hundreds of machines and three locations. Each one of you have lead the way in our growth and been valuable leaders through the years. We are proud to have each and every one of you at WePackItAll.
